

1986 WOMEN'S SOCCER NATIONAL CHAMPIONSHIPS

THE PADDOCKS, BRIDGE RD., PARA HILLS

TAA.

The friendly way.

A.W.S.A. President's Message

1986 is the second time that South Australian Women's Soccer Association has hosted the National Open Championships and the AWSA is deeply appreciative of their efforts to promote women's soccer as a feature of the State's Sesqui-centennial Celebrations.

Although not all affiliates have entered teams I have not doubt that the competition will be as keen as in previous years and that, as a showcase for our sport, the 13th Titles will live up to or even exceed all our expectations.

Judging by the results in the recent Age Championships there could very well be some surprise results throughout the tournament and I look forward to an entertaining and exciting week.

When skill and sportmanship are on display in events of this calibre there can only be one winner - women's soccer itself - and that the goal to aim for!

Best of luck to all teams.

Elaine Watson
President.

Executive Director's Message

The National Championships return to Adelaide for the 2nd time and mark the 8th year of participation by S.A. in the Championships. Unfortunately, the 13th National Championship will take place without West Australia which is a foundation State and without doubt their absence will affect all participants.

The 13th Championships have been revised to accomodate 8 teams in a compact draw and for the first time the AWSA will trial a Challenge series at the completion of the main Championships. Australian Airlines have donated the Challenge Cup (the AA Challenge Cup) and it is hoped that if the Challenge series is a success then this event will continue in future years and can be used to gain greater public recognition for our sport.

Over the past few years, the format of the Championships has been an item for discussion by the Management Committee of the AWSA. As expenses relating to participation increase, and as people find it more difficult to secure leave from employment the issue of Championship formats becomes more important. The matter will be discussed again this year and it is hoped that the decision on future Championships will be both practical and economical.

The South Australian Women's Soccer Association has worked hard towards ensuring that this Championship is a successful one from an administrative point of view and also in terms of competition. I would like to wish them good luck in their hosting of the 13th National Championship and in their endeavours to secure the Winners cup.

I hope that all participants and officials have an enjoyable and successful Championship and that many old acquaintances are renewed and new friendships are made

Heather Reid
Executive Director.

 Geraldine Prosser
 Front Row Kevin White, Sharon Dewar, Alison Templeman,
 Donna Pullen, Renaye Iserief
 Absent Karen Menzies, Louise Watson, Cathy Tiber

JANELLE RENSHAW Gaining her 5th State Cap, J.R. makes the goal area hers and allows no opposition forward any latitude. A great exponent of her art and is looking forward to another great championship.

DEBORAH SAUNDERS Gaining her 3rd Cap after an outstanding 1985 Championship. Debbie is a strong defender hailing from the Central Coast. Will undoubtedly give 100% again.

SUE BUSWELL Current Australian Representative. Equally at home at the back or midfield. Has a wonderful ability to read a game and then distribute from the breakdown. A great asset.

LEAH WRIGHT Represented Australia in 1981. A most competent player with excellent ball skills and an excellent heading ability. Picks up her 3rd Cap.

CATHY TIBER A very energetic and entertaining player. First represented in Melbourne, 1985. With the experience gained last year Cathy will be a very commanding player at the back.

MARY-HELEN BURKE Gaining her 3rd Senior Cap. Mary-Helen loves to come forward from the back creating chances for her forwards. Has matured into a thinking player giving no room for her opposition.

SHARON DEWAR A very enthusiastic player both on and off the field whose great personality rubs off on others. A midfielder with great aplomb who uses her skills to great effect.

LOIS GALLEY First State rep. from the Newcastle Association at senior level. An explosive front runner who has the ability to pop-up in front of goal. Will be a headache to defences.

RENAYE ISERIEF Current Australian International has given 10 years Meritorious Services to N.N.S.W. A forward who will lead by example. Renaye has the ability to run at and pass defenders and then release a powerful shot with either foot. A great team player and deserves all accolades she receives.

KAREN MENZIES Current Australian International. 'Menzies' value to the team as a utility player is unsurpassable. Karen is earning her 8th year for State, she has an aggressive and positive attitude to the game she loves.

DONNA PULLEN 2nd State Cap. The experience gained last year has turned Donna into a little midfield general. Also plays in the forwards and has a high workload whether up front or in the middle.

ALISON TEMPLEMAN Gains her 2nd State Cap after being absent for two years. A tenacious player equally at home in the midfield or forward. Has a great sense of positioning from a good ability to read the game.

MAREE BURKE Also from the Newcastle Association gaining her first cap. A non-stop player who mainly operates down the right will unselfishly distribute to others.

NARELLE MARSHALL Another first timer whose good hands and uncanny ability to put herself in the right part of the goals to thwart many an attack bought her cap.

DARLENE KEARNS A regular face in the N.N.S.W. team gaining her 4th cap. A midfielder with excellent distribution and loves being in the thick of the action.

TANYA WHITE A natural 'lefty' who has now represented at three levels 15's, 17's and this her first senior cap: loves to taunt her opposition with deft crosses and long runs.

LOUISE WATSON A packet dynamo from Lismore gaining her first cap. Louise's main attribute is her non-stop running enabling her to gain position to intercept many passes and get in tackles. A player of the future.
